

THE DUNYAZAD DIGITAL LIBRARY gives you classical books (and the occasional modern one) of history, fantasy, travel and adventure. Carefully proofread, edited and typeset, the books in the Dunyazad Library offer a far better quality than the free-for-download fare usually found on the web.

Intended for reading devices with sufficient screen sizes (8 inches or more) the PDF versions allow for a careful design of lines and pages, resulting in a more pleasant reading experience than the necessarily random line and page breaks of other e-book formats.

The books in the Dunyazad Digital Library are also available in ePub, Mobi (Kindle) and plain text format.

All the Dunyazad Library e-book files can be freely downloaded and are free of any DRM (digital rights management) restrictions.
